Re: Issues/Programs for WEIU TV

Date: April 8, 2025

The following is the Issues List for the 1st quarter of programming on WEIU TV:

1. CHILDREN'S EDUCATION - How are the educational and informational needs of students being met?
2. MINORITY ISSUES - Are the needs of the minority population in east-central Illinois being met? If not, what can be done to improve the situation?
3. ECONOMIC AND AGRICULTURAL CLIMATE - What is the economic climate in our area? With agriculture being the largest industry, how are farmers dealing with the current economic times?
4. CRIME - Is it safe to live in east-central Illinois and what can be done to ensure the continued safety of our residents?
5. GOVERNMENT - What are the key issues in government, both state and federal, that are affecting east-central Illinois?
6. HEALTH – What are the health issues affecting those who live in east-central Illinois? What new medical advances are now available? Are there preventative health care issues that need to be examined?

Re: Methods of Determining Issues

Date: April 8, 2025

WEIU TV determined the issues/program list for the First quarter of 2025 by the following methods:

1. Analysis of local news reports from newspapers, television & radio.
2. Response to materials gathered by TV news.
3. Feedback from community members via various staff members participating in community service groups in the viewing area.
4. Discussion of issues with local and regional officials on a continuing basis.
5. Discussion with the Friends of WEIU and Radio and Television Center Boards for their input.

Please advise if you have any further questions or require further information.
